

OpenNebula - Feature #1148

Allow force deletion of the VMs running of a host when asking to delete the host

02/29/2012 10:25 AM - Maxence Dunnewind

Status:	Closed	Start date:	02/29/2012
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Pull request:	
Resolution:	fixed		
Description			
<p>It would be to have some way to force the deletion of a host and its VMs even if VMs are (supposedly) still running on the host.</p> <p>Maybe some hook could help ?</p> <p>Maxence</p>			

History
