

OpenNebula - Backlog #1248

Get the possibility, via Sunstone, to download an image

04/20/2012 01:20 PM - olivier sallou

Status:	Pending	Start date:	04/20/2012
Priority:	Low	Due date:	
Assignee:		% Done:	0%
Category:	Sunstone	Estimated time:	0.00 hour
Target version:			
Description			
IT would be nice if sunstone could allow the download of an image in the repository if user has, at least, "use" ACL on it.			
This would enable people, after an image update, saved in repository, to get it on its computer and maybe share it with others.

Dear Developers,

there are any news about this feature request? Are you planning to develop the download option in the near future?

Best Regards,
Sandor
