### Description

The RPM package used to install OpenNebula in RedHat/CentOS/Scientific Linux does not create the oneadmin account and the files it install belong to root.

F 4901

### History

**#1 - 09/11/2009 12:55 PM - Jaime Melis**

- Status changed from New to Closed
- Resolution set to fixed

Fixed by adding a `%pre` section which handles the creation of the oneadmin user account. See revision #768.
