

OpenNebula - Feature #1680

Add possibility for hooks to add variables to template

12/05/2012 11:32 AM - olivier sallou

Status:	Closed	Start date:	12/05/2012
Priority:	Normal	Due date:	
Assignee:		% Done:	0%

Target version:	Release 4.0	Pull request:	
Resolution:	duplicate		
Description			
It would be very useful if vm hooks could add some variables to the template. For example, one could add user related data to the template, or add a locally generated password.
