

OpenNebula - Feature #2014

Add cache and IO setting drop-downs for Sunstone

05/09/2013 03:53 PM - Justice London

Status:	Closed	Start date:	05/09/2013
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Sunstone	Estimated time:	0.00 hour
Target version:	Release 4.2	Pull request:	
Resolution:	duplicate		
Description			
The ability to specify IO and cache settings was added in 4.0, yet there are no available options in the disk settings for Sunstone. It would be nice to have these available in the template wizard.

Totally agree, this was already planned in #1938

Thanks!
