

OpenNebula - Bug #260

Cancel action fails in Driver subsystem & missing method

06/11/2010 11:44 PM - Ruben S. Montero

Status:	Closed	Start date:	06/11/2010
Priority:	Normal	Due date:	
Assignee:	Javi Fontan	% Done:	0%
Category:	Drivers - Auth	Estimated time:	0.00 hour
Target version:	Release 2.0	Pull request:	
Resolution:			
Affected Versions:			

Description

With ruby 1.8.5 (confirmed) cancel action may fail with

```
/home/oneadmin/one/lib/ruby/ActionManager.rb:153:in `delete_at': can't
convert Hash into
Integer (TypeError)
    from /home/oneadmin/one/lib/ruby/ActionManager.rb:153:in `cancel_action'
    from /usr/lib/ruby/1.8/thread.rb:135:in `synchronize'
    from /home/oneadmin/one/lib/ruby/ActionManager.rb:141:in `cancel_action'
    from /home/oneadmin/one/lib/ruby/OpenNebulaDriver.rb:102:in `loop'
    from /home/oneadmin/one/lib/ruby/OpenNebulaDriver.rb:72:in
`start_driver'
    from /home/oneadmin/one/lib/ruby/OpenNebulaDriver.rb:72:in `initialize'
    from /home/oneadmin/one/lib/ruby/OpenNebulaDriver.rb:72:in `new'
    from /home/oneadmin/one/lib/ruby/OpenNebulaDriver.rb:72:in
`start_driver'
```

Also it seems that 1.8.5 does not like kill!

```
/home/oneadmin/one/lib/ruby/OpenNebulaDriver.rb:74 - undefi
ned method `kill!' for #<Thread:0x2b569c2aa210 run>
/home/oneadmin/one/lib/ruby/OpenNebulaDriver.rb:74:in `start_driver':
undefined method `
kill!' for #<Thread:0x2b569c2aa210 run> (NoMethodError)
    from /home/oneadmin/one/lib/mads/one_vmm_xen.rb:227
```
