

OpenNebula - Bug #359

install.sh fails as normal user when using DESTDIR

10/06/2010 07:06 AM - Charles Loomis

Status: Closed	Start date: 10/06/2010
Priority: Normal	Due date:
Assignee:	% Done: 100%
Category:	Estimated time: 0.00 hour
Target version:	Pull request:
Resolution: fixed	
Affected Versions:	
Description	
When building OpenNebula as a normal user and using DESTDIR, the install.sh script fails when trying to chmod a system directory. The patch for this is attached.
