

OpenNebula - Feature #3884

In Sunstone, provide the Name of instances, and templates when confirming delete

07/22/2015 03:45 PM - Wesley Dillingham

Status: Closed	Start date: 07/22/2015
Priority: Normal	Due date:

Category:	Estimated time: 0.00 hour
Target version:	Pull request:
Resolution: duplicate	
Description	
<p>In Sunstone, when you request to delete a template it gives you the numeric ID of the template but does not provide the name when asking to confirm you want to delete it. This would be useful.</p> <p>The same applies to deleting virtual machines.</p>
