 - network **attach** (attachment:network-attach-modal-bug.webm)
 - VM **take a snapshot** (attachment:vm-snapshot-modal-bug.webm)
- Some modal display a white page with **crfstoken**
 - storage **save as** (attachment:storage-save-as-modal-bug.webm)
 - storage **detach** (attachment:storage-detach-modal-bug.webm)
 - storage **snapshot** (attachment:storage-snapshot-modal-bug.webm)
 - network **detach** (attachment:network-detach-modal-bug.webm)
