

OpenNebula - Feature #4763 disable snapshoting readonly CDROM images

09/02/2016 08:33 PM - Anton Todorov

Status:	Closed	Start date:	09/02/2016
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Drivers - Storage	Estimated time:	0.00 hour
Target version:	Release 5.4	Pull request:	
Resolution:	fixed		
Description			
<p>Hi,</p> <p>IMHO it is pointless to have such functionality because the CDROM images are always with READONLY attribute set to YES so there is no data changed to snapshot/revert to.</p> <p>I think to disable this in our addon's tm/snap_create* scripts when requested for image of type CDROM.</p> <p>Kind Regards, Anton Todorov</p>
