

OpenNebula - Bug #5091

Fixed type Default Resource Pool set in template VM template is not used for resource pool decisions

03/31/2017 04:17 PM - Miguel Ángel Álvarez Cabrerizo

Status:	Closed	Start date:	03/31/2017
Priority:	Normal	Due date:	
Assignee:	Miguel Ángel Álvarez Cabrerizo	% Done:	0%
Category:	vCenter	Estimated time:	0.00 hour
Target version:	Release 5.4	Pull request:	
Resolution:			
Affected Versions:	OpenNebula 5.2		

Description

Either importing the template and setting the default Resource Pool or using Sunstone and setting the fixed default resource pool value, that resource pool is not checked against it so it's not being used at all, only the USER_TEMPLATE/RESOURCE_POOL attribute is used.

History

#1 - 03/31/2017 06:41 PM - Miguel Ángel Álvarez Cabrerizo

- Subject changed from *Fixed type Default Resource Pool set in template VM template is not* to *Fixed type Default Resource Pool set in template VM template is not used for resource pool decisions*
