Description			
<p>Hello,</p> <p>I'm translating for French and some of the string are inconsistent.</p> <p>Maybe some of them are quite similar but not identical on purpose but it's hard to find them even with the sunstone interface open.</p> <ul style="list-style-type: none">- Vcenter information // vCenter information- Disk RD Bytes // Disk read bytes- Disk WR Bytes // Disk write bytes- Disk RD IOPS // Disk Read IOPS- Disk WR IOPS // Disk write IOPS <p>I don't find where the right ones are from :-/.</p> <p>I'll keep update this issue for new things I found.</p> <p>Regards.</p>

There is a typo, a double **the**:

If specified, the the VMs and Template folder path where the VM will be created inside the data center. The path is delimited by slashes e.g /Management/VMs. If no path is set the VM will be placed in the same folder where the template is located.
