F #5245 Added datastore datatable in datastore requirements and solved bug in resources selected (#400)

History

#1 - 07/14/2017 10:00 AM - Abel Coronado

- Subject changed from Add datastore datastore in datastore requirements to Add datastore datatable in datastore requirements

#2 - 07/14/2017 11:00 AM - Abel Coronado

- File Screenshot from 2017-07-14 12-53-01.png added

I found a bug when I updated the template in the same place: Don't select the resources in Scheduling panel.

How to reproduce:

- Add cluster and update the template.
- Update template again.
- The cluster is not selected in the datatable.

#3 - 07/14/2017 11:05 AM - Tino Vázquez

- Status changed from Pending to Closed
- Target version changed from Release 5.6 to Release 5.4
