Target version: Release 3.0	Pull request:
Resolution: fixed	
Affected Versions:	
Description	
right now items (images, vnets) need to be published before they can be selected. Then selects should be updated when items are created as well

Associated revisions

Revision 2d2dc2cf - 05/11/2011 03:55 PM - Hector Sanjuan

Bug #587: Fix.

Owner of the elements is now taken into account when adding them to the selects.

If the user is the owner or the status is good (i.e. not disabled or unpublished), then the elements are added.

History

#1 - 04/29/2011 05:22 PM - Hector Sanjuan

- File 0001-Bug-587-Fix.patch added
- % Done changed from 0 to 100
- Resolution set to fixed

Added patch to correct current misbehavior.

#2 - 05/11/2011 03:58 PM - Daniel Molina

- Status changed from New to Closed
